

# Old Style Test-Rally

If you are not familiar with this kind of rally system, do not worry. We have organised a **Test-Rally**.

If you like to experience how tricky it is to navigate from point to point with free choice of roads, take the opportunity to drive our test-rally whenever you like. It is free of charge.

The Test-Rally is laid out around the lake of Sempach close to Luzern (CH). It will offer you spectacular views and will last about 2.5 hours.

On request we will be glad to e-mail you the necessary documents for the Test-Rally.

Old Style Rally

## Rallying like yesteryear

An exciting challenge for both driver and co-driver.

The rally is open for all who enjoy sporty driving, challenging navigation during the day and appreciate the evening cosiness.

## All inclusive package

For the duration of the event (3 nights) you will be staying at the same hotel in Gérardmer. The Beau Rivage offers enough space for all participants.

The price of EUR 785.00 per person includes: 3 nights at the hotel, including breakfast, 3 four-course dinners, 2 lunches, 1 three-course lunch, all non-alcoholic beverages during lunch and dinner, maps, control sheets, rally plaques etc.

## The rally

The rally will take place in the Vosges and Alsace in France. Driving on small and quiet country roads, you will discover the Alsace with its fairy-like villages, and the stunning 1001-lakes region of the Vosges.

The rally system is simple: the competitors are to drive from point to point or arrow in numerical order. Between the points and arrows, any road can be used. The check-points will be only on the points and arrows.

Each day offers a sporty route of about 300 km, which will keep both driver and co-driver busy from approximately 8.30 to 5pm.

Although the system is not complicated, navigating may look a lot easier on the map than in the reality ...

During the day there will be a 15-minute coffee break and a 45-minute lunch break.

Back at the hotel you can relax at the bar or on the lakeside terrace and share the experiences of the day with the other competitors. Dinner starts at 8pm. After dinner the bar will be open to continue the exchange of exciting stories.

## Prologue

In order to get used to the rally system you have the possibility to participate in the prologue on 26th May, which starts at Passwang (CH) and ends at the hotel in Gérardmer. The prologue is recommended but not mandatory.

## Acceptance

All registered cars built before 1989 will be accepted. Younger cars may be accepted on demand.

The number of participants is limited to 30 teams. Each team consists of two persons.
